Paige. For requests below we don't have a site boundary we just have the exclusion boundaries. Do you have a site boundary or a general estimate of what that would be.

Thanks. I will have these in the next 10 minutes.

Hey Janine,

I've been requested for a few maps printed here for the REOC. It's almost impossible to speak about the site without anything to reference. Can you send me pdfs of the following so that I can have Brittany print them?

1. A map of the site using the aerals that ASPECT flight after the explosion. Include the site area boundary and only the boundaries (not filled in) of the primary and secondary exclusion zones.
2. A map of the site including the soil sample locations, using the post explosion ASPECT photography as the background, including call outs for the apartment complex, city park adjacent to the site, and West Elementary, Middle, and High Schools.
3. A map of the site prior to the explosion with the site boundary included.

Please let me know if you have questions. Also, please let me know when you can get these done. THANKs a bunch!
